

## KDEA 2017 Volunteer System - Check-list for Members

For the greater good of the club and to qualify for Year-end awards, members will need to complete 5 tasks to be eligible for awards. Even if you aren't trying for awards, it would be great if you would document your hours so we can recognize those who help and serve our organization.

You may complete the task more than once to earn your total of 5 tasks, (exceptions are noted beside task ), i.e: Scribed for the whole show/full day = 4 tasks. "Other" tasks are at the discretion of event/show coordinator on how many tasks they represent.

Please have one of the following people date and sign your form once the task is completed at show/event.

Show manager/secretary  
Event coordinator

Committee chairman  
Volunteer coordinator
